		Issue	Issue 1
Customer Safety and Security Report		Operative Date	14/02/2024
		Status	Live
		Prepared by	Joanne Whelan

		Approved by	Billy Gilpin

The issue of safety and security on our public transport services is one of keen interest to our customers, our employees, and the wider public.

While anti-social behaviour is a societal issue, and the overwhelming majority of journeys occur without incident, we must ensure that we are providing the safest possible travelling and working environment for customers and employees respectively.

To bring greater transparency, clarity, and context to the issue of anti-social behaviour, we will now publish – on a quarterly basis – a safety and security report. This report will consist of:

- Our statistics on reportable (to the NTA) and non-reportable criminal and anti-social behaviour incidents per quarter
- A full schedule of incidents included in those statistics.
- Analysis of any notable trends within the statistics
- Overview of initiatives within each quarter to improve safety and security, including joint initiatives with An Garda Síochána and other agencies.

Services overview

Passenger journeys on the Iarnród Éireann continued their strong recovery in Q4 2023, increasing by over 17% against Q4 2022 (up from 13.27 million to 15.53 million).

Additional services were scheduled on a number of routes at the end of 2022 included Newbridge to Heuston, Hazelhatch to Grand Canal Dock, West of Ireland routes and others. In May 2023, an additional daily Dublin to Gorey service in each direction was introduced, and from June 2023, two additional daily Dublin to Belfast services in each direction were introduced, for summer only. In December 2023, a new timetable was introduced, which sees extra weekday services to/from Cork, Mayo, Mallow, Drogheda and Carlow, and extra weekend services to/from Portlaoise.

Note on Reportable and non-reportable.

Given the subjective nature of some of the categories captured under the anti-social behaviour (ASB) report, we are required to create a 'category hierarchy' whereby we have reportable incidents for reporting to the NTA and non-reportable.

This is based on a form of harm test whereby if an incident is deemed to pose a risk of harm to our customers or staff alike it becomes reportable E.G, 'assault'(reportable) vs 'Boisterous behaviour'(non-reportable). we keep a record of all reported ASB so Iarnród Éireann Irish Rail can best analyse the data provided and ensure proactive and strategic measures are taken that can be guided by this report and executed across the network to reduce the incidence of ASB to ensure safety for our customers and our staff.

The statistical data will be presented in table form, distributed across the entire rail network, and divided per region as per regional map detailed in figure 1.

Iarnród Éireann Security Strategy Q4 2023 update

General ASB has seen two significant causal factors:

- Increased detection, with additional resources seeing interventions at major terminus stations in particular.
- a particular focus on tissue selling on board and this was supported with AGS and Revenue protection by way of joint operations.

During the 4th quarter 2023 AGS performed dedicated patrols nationally along with Operation Twin Track and Operation "Saul" Garda support to public transport. These patrols include specialist units including the Garda Dog unit, Garda mounted units and Garda support unit.

The objectives of these joint operations were:

- To ensure public safety by addressing antisocial behaviour.
- Protecting life and property.
- To engage with the public and provide crime prevention advice.
- To support Iarnród Éireann in tackling these issues.
- Vindicate the rights of each individual.
- Prevent crime, bringing criminals to justice, through the detection and investigations of crime and improve rail safety.

The above operations included seventy (70) Gardai which was supported by Iarnród Éireann's front line and security resources.

Community enforcement/crime prevention stands were conducted at fifteen (15) targeted locations. A key focus during these operations was on board patrols . Iarnród Éireann Revenue Protection Unit (RPU) issued 158 fixed penalty notices from breaches of the CIE by laws 1984 during these operations.
